About Us

The Compass Institute is a Sunshine Coast based Charity dedicated to assisting people in "Mastering the Art of Life". In 2002 Compass followed its dream to develop a truly leading edge service for people with an intellectual and/or physical disability. The response from the community to a developmental and transition focused service has been overwhelming and the results for the young people accessing the service have been extraordinary

Race Day Renovation... with your assistance and a little TLC we can turn this building into a post-school centre for young people with disabilities in Caloundra.

Compass is one of Queensland's most in-demand education and training services and it wants to make this a community asset we can all be proud of...

As you can see we've got our hands full but with community support Compass has been able to establish 3 centres on the Sunshine Coast and provides support to over 60 young people and their families. Please help us to help ourselves...

Race Night Sponsorship

No longer is racing a sport only for those 'in the know'. It is a sport which creates an exciting social environment, a place where people from all walks of life can enjoy a day of fun.

The Sunshine Coast Turf Club is undoubtedly one of the finest racing venues in Australia. The \$42m complex, with its unique architecture, picture-perfect gardens, landscape and lake, is a venue that provides for a spectrum of events, not only for residents of the Sunshine Coast, but also for interstate and international visitors.

The recent additions of \$6m Synthetic Cushion track and \$8m Track & Complex Lighting only secures the Sunshine Coast Turf Clubs position as one of the best racecourses in Australia.

The Sunshine Coast Turf Club enjoys a high level of support from all sections of the media. Leading sporting and racing identities are regular visitors to Corbould Park Racecourse, all enjoying the relaxed friendly atmosphere, and meeting their admiring public.
